

The Annual Children's Christmas Service took place at Mathry Church on Sunday, December 21<sup>st</sup>. This year, Clouds(the Boys) and Stars (the Girls) introduced the events of the Nativity story with songs and carols. Children (of all ages!) took part in the telling and acting out of this wonderful story. It was good to see so many children, parents and members of the congregation taking part in a memorable production at the start of our Christmas celebrations, reminding us of the true origin of Christmas. Particular thanks to our producer, Doreen Lewis and to our organist, Nancy Witherington. Refreshments were served after the service and a time of fellowship was enjoyed by all.
